

REMARKS

In the amendments above, Claim 37 has been amended. The change is cosmetic to correct our obvious terminological error and does not effect the scope of the claim.

According to the May 21 Office Action, the Examiner required restriction between Group I, namely, Claims 1-16 and 29-36 and Group II, namely, Claims 37 to 40. Applicants elect the claims of Group I for prosecution herein, with traverse. Applicants submit that the subject matter of the respective groups of claims is sufficiently related to searching for each group would be substantially coextensive. Thus, the restriction requirement should be withdrawn and the claims of both groups should be examined together.

Consideration and allowance of all the claims herein are respectfully requested.

Respectfully submitted,
